Career Objective: Motivated and results-driven Master of Computer Applications (MCA) graduate with a strong foundation in software development, problem-solving, and data analysis. Eager to leverage academic knowledge and project experience to contribute effectively to a dynamic and growth-oriented organization.

Education Qualifications:

- **Master of Computer Applications (MCA)**

  SRM University, Kattankulathur, December 2024, Percentage/CGPA: 95.3%

- **Bachelor of Computer Science**

  DAVV University, Indore, June 2021, Percentage/CGPA: 74.6%

Technical Skills:

Programming Languages: Java, Python,

Web Technologies: HTML, CSS, JavaScript, React, Node.js

Database Management: MySQL, MongoDB

Tools & Platforms: Git, Visual Studio Code, Eclipse, NetBeans

Other Skills: Data Structures, Algorithms, Problem-Solving

Vocational training:

Training in JAVA Full Stack Development from J-spider Marathahalli, Bengaluru.

Project Undertaken:

- **Major Projects: Library Management System**

  Description: Designed and developed a Library Management System to efficiently handle book inventories, issue tracking, and user management. The system provides functionalities such as book search, borrow/return management, and user authentication.

  Technologies Used: Java, MySQL, HTML, CSS

  Key Contributions:

  Developed the backend logic to manage book records and transactions.

  Implemented a user-friendly interface for library staff and members.

  Ensured secure and efficient data storage with MySQL integration.

- **Minor Project: Java Quiz Application**

Description: Built an interactive Quiz Application to test users' knowledge on various topics using multiple-choice questions. The system provides functionalities such as question randomization, score calculation, and feedback for correct or incorrect answers.

Technologies Used: Java, Swing, and JDBC

Key Contributions:

Designed and implemented the quiz logic and dynamic question display.

Integrated a scoring system with instant result feedback.

Connected the application to a database for storing user scores and question sets.

Personal Details:

Date of Birth:	**31/03/1999**
Languages Known:	**Hindi, English (Read, Write and Speak)**
